PROXY STATEMENT

This Proxy Statement is being mailed on or about March 28, 2003 to shareholders of Ducommun Incorporated (the "Corporation") who are such of record on March 17, 2003, in connection with the solicitation of proxies for use at the Corporation's Annual Meeting of Shareholders to be held at 9:00 o'clock A.M. on May 7, 2003, or at any adjournments or postponements thereof (the "Annual Meeting"), for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The accompanying proxy is solicited by the Board of Directors of the Corporation. Solicitation will be made by mail, interview, telephone, facsimile and Internet. D. F. King & Co., Inc. has been retained to assist in the solicitation of proxies for which it will be paid a fee of \$4,500 plus reimbursement of out-of-pocket expenses. Brokers, nominees, banks and other custodians will be reimbursed for their costs incurred in forwarding solicitation material to beneficial owners. All expenses incident to the proxy solicitation will be paid by the Corporation.

Proxies in the accompanying form will be voted in accordance with the instructions given therein. If no instructions are given, the proxies will be voted for the election as directors of the management nominees, and in favor of each of the proposals described herein. Any shareholder may revoke his proxy at any time prior to its use by filing with the Secretary of the Corporation a written notice of revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting.

The close of business on March 17, 2003 has been fixed as the record date (the "Record Date") for the determination of holders of shares of Common Stock entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, the Corporation had outstanding 9,873,419 shares (excluding treasury shares) of Common Stock, \$.01 par value per share (the "Common Stock"). In the election of directors, each holder of Common Stock will be entitled to a number of votes equal to the number of directors to be elected multiplied by the number of shares held. The votes so determined may be cast for one candidate or distributed among one or more candidates. Votes may not be cast, however, for a greater number of candidates than the number of nominees named herein. On all other matters to come before the Annual Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

A majority of the outstanding shares of Common Stock will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum has been obtained. In the election of directors, abstentions and broker non-votes will not be counted. On all other matters, abstentions will be counted, but broker non-votes will not be counted, for purposes of determining whether a proposal has been approved.

In the election of directors, the four candidates receiving the highest number of votes will be elected to fill the vacancies on the Board of Directors.

The Corporation's 2002 Annual Report to Shareholders is being mailed to shareholders with this Proxy Statement.

1. ELECTION OF DIRECTORS

Four directors (out of a total of nine) are to be elected at the forthcoming Annual Meeting: one director to serve for a two-year term expiring at the Annual Meeting of Shareholders in 2005 and three directors to serve for three-year terms expiring at the Annual Meeting in 2006 and thereafter until their successors are elected and qualified. The nominees for such positions are Robert D. Paulson (for a two-year term), and Joseph C. Berenato, Eugene P. Conese, Jr. and Ralph D. Crosby, Jr. (for three-year terms). In the absence of a contrary direction, proxies in the accompanying form will be voted for the election of the foregoing nominees. Management does not contemplate that any of the nominees will be unable to serve as directors, but if that should occur the persons designated in the proxies will cast votes for other persons in accordance with their best judgment. In the event that any person other than the nominees named herein should be nominated for election as a director, the proxy holders may vote for less than all of the nominees and in their discretion may cumulate votes. Should any of the directors whose terms continue past the 2003 Annual Meeting cease to serve as directors prior to the Annual Meeting, the authorized number of directors will be reduced accordingly. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR MESSRS. BERENATO, CONESE, CROSBY AND PAULSON.**

The following information is furnished as of March 17, 2003, with respect to each of the four persons who are nominees for election to the Board of Directors, as well as for the other five directors of the Corporation whose terms of office will continue after the 2003 Annual Meeting.

The Board of Directors met five times in 2002. Each of the persons named above, except for Mr. Paulson, was elected by the shareholders at a prior annual meeting. Mr. Mullaney was previously a director of the Corporation in 1984 and 1985.

Directors who are not employees of the Corporation or a subsidiary are paid an annual retainer of \$12,500 and receive \$1,000 for each Board of Directors meeting, Shareholders meeting or Committee meeting they attend. Under the Directors Deferred Income and Retirement Plan, a director may elect to defer payment of all or part of his fees for service as a director until he retires as a director, at which time the deferred fees will be paid to him with interest. A retiring director will also receive the annual retainer fee in effect at the time of retirement or at the time of payment, whichever is higher, for life or for a period of years equal to his service as a director, whichever is shorter, provided that the director retires after the age of 65, has served as a director for at least five years and is not an employee of the Corporation when he retires (the "retirement benefits"). In 1997, accrual of additional retirement benefits under the Directors Deferred Income and Retirement Plan was terminated, but existing directors remain eligible for retirement benefits accrued to such date. Directors are also eligible to participate in the Corporation's 1994 Stock Incentive Plan and 2001 Stock Incentive Plan. Directors who are not employees of the Corporation or a subsidiary, following each annual meeting of shareholders, in 2002 were granted stock options to purchase 3,000 shares, and in 2003 will be granted stock options to purchase 3,000 shares, of Common Stock of the Corporation at an exercise price equal to 100% of the closing price of the Corporation's Common Stock on the New York Stock Exchange on the date of grant.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Corporation's officers and directors, and persons who own more than 10% of the Corporation's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and to furnish copies of such forms to the Corporation. Based solely on a review of the copies of such forms furnished to the Corporation, and on written representations that no Forms 5 were required, the Corporation believes that during its past fiscal year all of its officers, directors and greater than 10% owners complied with the filing requirements of Section 16(a), except that Robert B. Hahn, president of the Corporation's MechTronics of Arizona Corp. subsidiary during 2002, failed to report five transactions on a timely basis on five Forms 4 that were subsequently reported.

COMMITTEES OF THE BOARD OF DIRECTORS

The Corporation has standing Executive, Audit, Compensation and Nominating Committees. The members of the Executive Committee are Messrs. Berenato, Christie and Mullaney. The Executive Committee, which met formally once during 2002, performs the same function as the Board of Directors, subject to certain limitations, including limitations on the power to amend or repeal the Certificate of Incorporation or Bylaws, adopt an agreement of merger or consolidation, or recommend to the shareholders the sale, lease or exchange of substantially all of the property and assets of the Corporation.

The members of the Audit Committee are Messrs. Christie, Conese and Ducommun. The Audit Committee, which met formally five times during 2002, reviews the scope of audits, audit procedures and the results of audits with the corporate staff and the independent accountants. The Audit Committee is governed by a charter which it has adopted, which is attached to this Proxy Statement as Appendix A. The Corporation's securities are listed on the New York Stock Exchange and are governed by its listing standards. All of the members of the Audit Committee meet the independence standards of Sections 303.01(B)(2) and (3) of the New York Stock Exchange's listing standards.

The members of the Compensation Committee are Messrs. Barkeley, Crosby, Moore and Mullaney. The Compensation Committee, which met formally two times during 2002, reviews and recommends compensation for officers, grants stock options and administers stock option programs.

The members of the Nominating Committee were Messrs. Barkeley, Berenato and Conese until May 1, 2002, and thereafter were Messrs. Barkeley, Ducommun and Moore. The Nominating Committee, which did not formally meet during 2002, reviews and recommends to the Board of Directors the nominees for election as directors of the Corporation at the Annual Meeting of Shareholders or otherwise by the Board of Directors. The Nominating Committee may, in its discretion, consider nominees recommended by Shareholders.

Key Executive Severance Agreements

Messrs. Berenato, Graham, Heiser, Michael Williams and Samuel Williams each are parties to key executive severance agreements entered with the Corporation. The key executive severance agreements provide that if the employment of an executive officer is terminated without cause (as defined in the agreements), except in the event of disability or retirement, he shall be entitled to receive the following: (i) if the employment of the executive is terminated within two years following a change in control of the Corporation, then the executive shall be entitled to receive payment of his full base salary for a period of two years, payment of the amount of any bonus for a past fiscal year which has not yet been awarded or paid, and continuation of benefits for a period of two years, or (ii) if the employment of the executive is terminated other than within two years following a change in control of the Corporation, then the executive shall be entitled to receive payment of his full base salary for a period of one year, payment of the amount of any bonus for a past fiscal year which has not yet been awarded or paid, and continuation of benefits for a period of one year. A change in control of the Corporation is defined in the key executive severance agreements to mean a change in control of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Exchange Act. Such a change in control is deemed conclusively to have occurred in the event of certain tender offers, mergers or consolidations, the sale, lease, exchange or transfer of substantially all of the assets of the Corporation, the acquisition by a person or group of 25% (or in the case of The Clark Estates, Inc., 30%) or more of the outstanding voting securities of the Corporation, the approval by the shareholders of a plan of liquidation or dissolution of the Corporation, or certain changes in the members of the Board of Directors of the Corporation. In the event of a change in the executive's position or duties, a reduction in the executive's base salary as increased from time to time, a removal from eligibility to participate in the Corporation's bonus plan and other events as described in the agreements, then the executive shall have the right to treat such event as a termination of his employment by the Corporation without cause and to receive the payments and benefits described above.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions relating to compensation of the Corporation's executive officers generally are made by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a nonemployee director of the Corporation.

Compensation Policies Applicable to Executive Officers

The Compensation Committee's executive compensation policies are designed to provide competitive levels of compensation that relate pay to the achievement of the Corporation's financial goals, recognize individual initiative and performance, and assist the Corporation in attracting and retaining qualified executives. Overall compensation of executive officers is set at levels that the Compensation Committee believes to be competitive with other companies of similar size in the Los Angeles area.

In addition, executive officer compensation reflects the importance to the Corporation of achieving growth in sales, net income and cash flow. As a result, executive officer compensation emphasizes cash compensation consisting of a base salary and an annual bonus, and long-term noncash stock option awards. The Corporation generally does not provide any long-term cash incentive plans, pension, profit-sharing or other retirement benefits, or many of the executive perquisites typically provided by other companies to their senior executives.

Annual bonuses are awarded on a discretionary basis by the Compensation Committee with consideration given to the Corporation achieving specified levels of net income and cash flow and on the individual performance of executive officers. The Corporation's group presidents are also measured based upon the financial performance of their operating units. Annual bonuses are targeted at 30% - 50% of base salary depending on the particular executive officer involved, with an upper range of annual bonus eligibility of three times the targeted amount.

No bonuses were awarded for 2002 to the officers of the Corporation, including the Chief Executive Officer, because the Corporation did not meet the targeted financial performance measures in 2002. A bonus was awarded to one group president (who is considered an executive officer of the Corporation for purposes of this Proxy Statement) based on the financial performance of his operating unit in 2002.

Stock option awards are made periodically to provide management with an ownership interest in the Corporation and significant stock-based performance compensation. Stock option awards are made based on the responsibilities and performance of the particular executive officers, and are designed to provide a substantial portion of total compensation in a form tied directly to the Corporation's stock performance. All stock options are granted at the market price of the Corporation's common stock on the date of grant and, as such, will have value only in the event of an increase in the Corporation's stock price. No stock options were awarded to executive officers in 2002.

Compensation of Chief Executive Officer

The determination of the Chief Executive Officer's salary, bonus and grant of stock options in 2002 followed all of the policies, and were based on the considerations, set forth above with respect to executive officers generally. Consistent with these policies, the Chief Executive Officer's salary was increased in 2002, which was the first increase in three years. No bonus or stock options were awarded to the Chief Executive Officer in 2002.

Report of the Audit Committee

The Audit Committee reviews the Corporation's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Corporation's independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Corporation and its management. The Audit Committee has considered whether the independent auditors provision of information technology services and other non-audit services to the Corporation is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Corporation's Annual Report on SEC Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee,

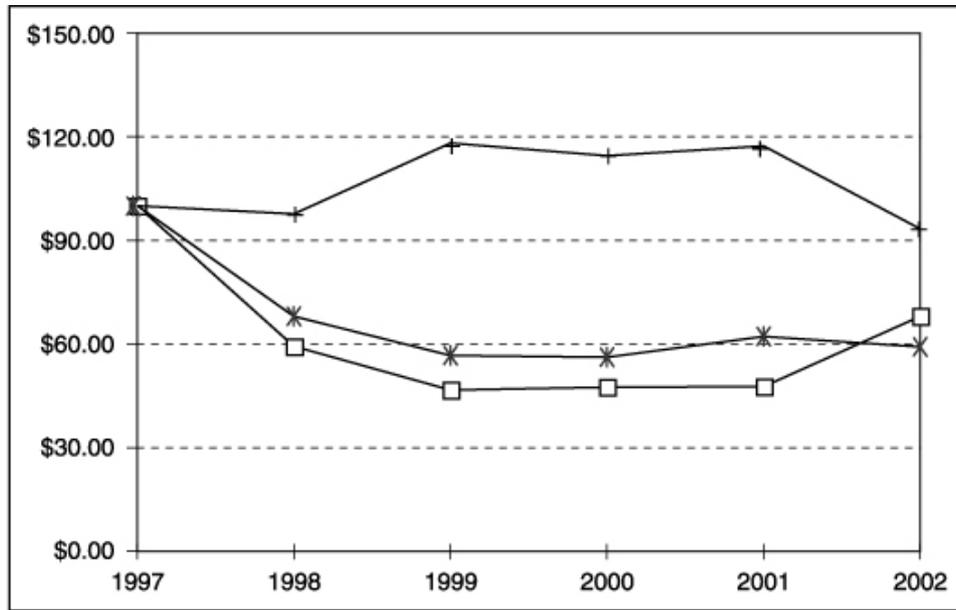

H. Frederick Christie — Chair
Eugene P. Conese, Jr.
